

# Spider Bite

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Draw some different types of spiders.	Timeline of Events
Where can you find spiders?	
Why are people careful around spiders?	

*Have you ever walked through a spider's web? How did it feel? How did you react?*

*Most spiders are nocturnal. This means they are active at night. If you come across one in the day, you may have woken it up. Be careful, it might be grumpy!*

- Ideas for Writing
- ✓ The day I was bitten by a spider.
  - ✓ The day my web was destroyed.
  - ✓ I took my pet spider to school for show and tell. It was a disaster...
